Tēnā koutou katoa,

Haere Mai - a very warm welcome to beautiful Whanganui - UNESCO City of Design.

Artists Open Studios is an iconic Whanganui event in its 27th year, showcasing over 80 studios.

The heart and soul of AOS lies in the passionate artists that open their studios to the public, enabling you to meet these talented people, and have the opportunity to purchase a piece of their art.

At the AOS Opening Event, Katie Brown, on behalf of the Lyndsay Patterson Foundation, will announce the emerging glass artist to benefit \$10,000 to further their craft and studies.

Visit the AOS Starting Point Exhibition Taupo Quay to begin your journey, then explore our city and enjoy the opportunity to meet our incredible local artists in their own studios.

Mine is a working studio, so you could see me painting or participate in a new jewellery design or bring along a photo of your pet for me to paint.
